

WHEN YOU NEED A HEAVY DUTY CLEANER THAT CLEANS UP

-  Non-flammable, non-toxic or polluting, non caustic
-  Aggressive – breaks down tough greases and deposits from almost any water safe surface
-  All natural, biodegradable, microbially compatible
-  Volatile organic compounds free
-  Utilises a unique formula based on essential oils and naturally based hydrotopes
-  Fast – works immediately and requires less maintenance for surfaces

HERE'S THE SOLUTION

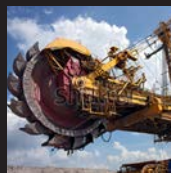

BIOREM 808 is designed to break down heavy grease and oil deposits, aid their release from the attached surface and micronise the oil particles. These smaller particles then attract the microbes that exist in the natural environment, where they are consumed and rendered non-hazardous. BIOREM 808 works in a variety of heavy duty environments including:

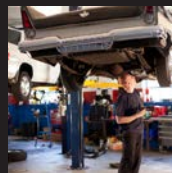

OIL FIELD
EQUIPMENT

MARINE
EQUIPMENT

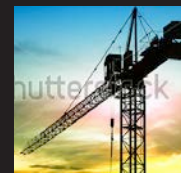

MINING
EQUIPMENT

AUTOMOTIVE
WORKSHOPS

CONCRETE OIL
STAIN REMOVAL

CONSTRUCTION
EQUIPMENT

BENEFITS OF BIOREM 808

- **Powerful** - microbe compatible technology.
- **Superior** - helps replace granular absorbents, socks, pads and caustic.
- **Advanced** - safe to use on almost any water-safe surface, including metal, concrete and plastic.
- **Fast** - removes all oily, slick film leaving a non-slip surface to prevent accidents.
- **Safe** - non-hazardous, low toxicity to plant, animals and marine life.
- **Economical** - reduces discharge figures and is compatible with skimming, evaporators and polymer systems.
- **Versatile** - easily applied with spray bottles and auto floor scrubbers.
- **Effective** - helps remove disposal costs.

BIOREM - THE COMPLETE SOLUTION

BIOREM is excited to introduce BIOREM808 to our growing range of Microbial Green Cleaners. With BIOREM101 as your first use product for general cleaning, BIOREM808 takes care of the really heavy impacted and tough to move contaminants while its formula is designed to be synergetic with BIOREM101's environmental benefits.

Look out for the next BIOREM product coming soon to the range BIOREM505 a microbial inoculate to help businesses reduce their facility waste emissions.

BIOREM 101
Multi-purpose Degreaser
& Cleaner

BIOREM 808
Super Heavy Duty Oil
& Grease Remover

BIOREM 505
Microbial Inoculate
Waste Reducer
